Good Afternoon,

I attached the original notice with bubble comments highlighting concerns. I also revised the noticed and attached that as well without bubble comments but highlighting areas of concern or blanks.

# Deliberative Process / Ex. 5

- This notice lists the map room as the location of the hearing. However, the map room is in high demand and without knowing a true date of publication it may not be available.
- We don't typically offer AV support due to time constraints. We ask that any presentations be submitted to the docket.

If anyone would like to call me and go over the document, I can be reached at 564-3175.

Our superstars at organizing public hearings are definitely the PACS team and those that work with them in OAQPS, although I am sure OTAQ also does them well (I just have less experience working with them).

John –

I've never been involved in the outreach end of the business, so I can only guess who might be good contacts for this. I'm sure that Millett and company is a good place to start. Since OAQPS was heavily involved with CPP, I suggest checking with Mary Henigin and Alan Rush. In our shop, you might check with Tamara, who often knows about things that have to do with involving the public.

I've cc'd Mary, Alan, and Tamara here.

Hi folks, any thoughts on who to reach out to or join a mtg Mon on public mtg question(s), see below, haven't read fully to ascertain whether this in regard to the FRN for announcing the public mtg or logistics of organizing or both. Anyway, do we know who did these for CPP? Thx.

John
